

# PGDIS 2026 Conference Program

Date	Content
<b>24-Apr-26</b>	
12:00-14:00	Registration, collect materials
14:00-16:30	Workshop 1: Practical Operation & QC for Automated Blastocyst Biopsy (Limited 40 Participants)
14:00-16:30	Workshop 2: Error-free WGA-NGS process construction (Limited to 40 participants)
14:00-17:30	Workshop 3: Multi-Omics insight in Embryo Screening and Endometrium - Yikon Genomics
16:30-17:30	Flash Report Final for Young Scientist (10 participants×5 min)
18:30-20:00	Meet and greet
<b>25-Apr-26</b>	
8:30-9:00	Opening Ceremony: Zi-Jiang Chen, Anver Kuliev
9:00-9:45	Plenary Lecture: New Technology & PGT development - Dennis Lo
9:45-10:00	PGDIS Statement on PGT-A - Don Leigh
10:00-10:30	Tea Break & Exhibition Open
10:30-11:00	Symposium 1: niPGT Development & Clinical Assessment - Rubio, Zi-Jiang, Xie
11:00-12:00	Parallel Session 1: Developments in niPGT - Rubio, Zi-Jiang, Xie
11:00-12:00	Parallel Session 2: PGT and Clinical Research - Richard Legro, Heping Zhang
LUNCH	
13:30-14:00	Keynote Lecture: Jie Qiao:
14:00-14:30	Keynote Lecture: Linsong Li
14:30-16:00	Parallel Session 3: Multi-omics Prediction of Embryo Developmental - Madjunkova, Vermeesch ...
14:30-16:00	Parallel Session 4: Development in Embryos and Gametes- Lei, Haibin, Qing-Yuan
16:00-16:00	Tea Break & Exhibition Open
16:30-17:30	Oral presentation for Abstract Submission
18:30-20:00	Meet and greet
